

Ham Radio License Class

Buena Vista, Colorado

The Technician license is your gateway to the worldwide fun and excitement of Amateur Radio

- Earn your ham radio Technician class license
- Learn to operate on the ham bands, 10 meters and higher
- Learn to use the many VHF/UHF FM repeaters in Colorado
- Pass your FCC amateur radio license exam in class

Schedule:

Sat	May 9th	1-4 pm In-Person Kickoff Session
Wed	May 13	7-8 pm Online - Review session via Zoom
Wed	May 20	7-8 pm Online - Review session via Zoom
Wed	May 27	7-8 pm Online - Review session via Zoom
Sat	May 30	1-3:30 pm In-Person Review and Exam Session (The Exam session is open to everyone)

Most of the course content will be delivered via the **Ham Radio School** online system, requiring about 20 hours of independent study by the student. Each chapter includes an eBook reading section, an instructional video, a review summary, a lesson quiz, and optional depth learning media. Our instructors will provide additional instruction and coaching during in-person and online sessions.

The in-person sessions will be at the Casa Del Rio Clubhouse in Buena Vista.

The fee for the class is \$29.95.

Advance registration is required, by May 1st.

Note: the FCC also charges a \$35 license fee to issue your license, payable after you pass the exam.
